U.S. Army Materiel Command

Equipping and Sustaining

Prevent: *The Army prevents conflict by maintaining credibility based on capacity, readiness and modernization*

Shape: *The Army shapes the environment by sustaining strong relationships with other Armies, building their capacity, and facilitating strategic access*

Win: *If prevention fails, the Army rapidly applies its combined arms capabilities to dominate the environment and win decisively*

Ensuring Army Combat Readiness

20 June 2017   2

U.S. Army Materiel Command

MISSION

Army Materiel Command Develops and Delivers Materiel Readiness Solutions to Ensure Globally Dominant Land Force Capabilities

VISION

Army Materiel Command is Operationalized as the Army's Materiel Integrator, Synchronizing Capabilities and Resources to Ensure Army Readiness

AMC Strategic Priorities

SecArmy Top Priorities

- **Taking Care of Our Soldiers, Civilians, and their Families**
- **Developing Capabilities to Counter Emerging Threats**
- **Meaningful Acquisition Reform**

CSA Strategic Priorities

- **Readiness (Current Fight)**
- **Future Army (Future Fight)**
- **Take Care of the Troops (Always)**

CG, AMC Strategic Priorities

- **Strategic Readiness: AMC Operationalizes its Essential Functions at the Tactical, Operational, and Strategic Levels to Assure Sustainable Readiness**
- **Future Force: AMC is Postured at Echelon to Synchronize and Integrate S&T and R&D to Defeat any Adversary**
- **Soldiers and People: AMC Ensures Logistics Corps Soldiers and the Civilian Workforce are Trained and Ready to Execute Doctrinal and Directed Missions in Support of Army Priorities and Missions**

ACC-Redstone (ACC-R)

Mission

Agile and *Able* Contracting Professionals providing Capabilities to Customers: *On Time...Anytime...Anywhere!*

Vision

Contracting Professionals partnering with Customers to enable the most Efficient and Effective delivery of Capability to the Soldier.

Supporting Soldiers is our Mission, Acquisition Excellence is our Focus!

ACC-R Mission Overview

We Contract For:

- ★ **Major Weapon System Production/Svcs**
- ★ **26 ACAT I and 9 ACAT II Programs**
- ★ **Research Development Technology & Engineering**
- ★ **Over 75 systems, programs & organizations**
- ★ **Systems Engineering and Technical Assistance**
- ★ **Concept Development & Prototyping**

- ★ **Sustainment & Support of Systems**
- ★ **Foreign Military Sales**
- ★ **Advisory & Assistance Services**
- ★ **Operational Support**
- ★ **Range Support**
- ★ **Contingency Support**

Largest, Most Diverse DoD Buying Center -- $18.8B & 16,642 Actions in FY16

Major Customers
- ★ **PEO Aviation**
- ★ **PEO Missiles & Space**
- ★ **AMRDEC**
- ★ **AMCOM ALC**
- ★ **AMCOM SAMD**
- ★ **Redstone Garrison**
- ★ **Army Space & Missile Defense Command**

Mission powered by 917 FTEs – 324 OMA, 3 RDTE, 450 Reimbursable, 104 FMS & 36 (852 Funds)

Agenda

- Ground Rules – Ms. Kimberly Blanding, ACC-RSA, Deputy Director of AMCOM Contracts

- GSA Update – Mr. Steve Sizemore, GSA

- CAMO Update – Ms. Melissa Mitchell, ACC-RSA, Director of USASMDC Contracts

- EXPRESS Update – Ms. Barbara Lupo, Program Strategies, Contracting Officer

- 15 Minute Break for Questions

- Q&A Session

- Closing Remarks

Ground Rules

- The Government will post our projections to our EXPRESS Public website within 3-5 days: http://acc.army.mil/contractingcenters/acc-rsa/Express.html

- Please hold all questions until the end of the presentation

- Submit questions on the provided note cards during the scheduled break

- The panel will field and attempt to answer all submitted questions

- If questions cannot be answered today they will be answered later in writing if possible

- The area of focus today is service contracting in the ESS Directorate and SMDC/CAMO

- The panel does not have knowledge of other requirements outside of these areas. Please limit your questions to these areas

- The Government will not distribute the questions and answers (unless not answered during the event), minutes of the event, or a listing of the attendees/registrants

- The event will end at 1500 or when questions end, whichever comes first

GSA Update

- Status of SED Procurements

  - General questions and may be sent to aasd.sed@gsa.gov

  - GSA has established an Interact site for communications at https://goo.gl/fZWoiO

- SIN Modifications

CAMO

CCAM-CAB-B CSIM (IA-IM Re-compete)

Action

- AMCOM G6 Cyber Security (CS)/Information Management (IM) Support Services

- A full range of CS services necessary to satisfy enterprise missions, goals and objectives in the areas of) Risk Management Framework (RMF) Assess and Authorize (A&A); Technical Vulnerability Assessment and Validation; CS Project Planning; Information Assurance Vulnerability Management (IAVM) and CS Programs; Security Assessment; and variety of CS programs.

Strategy

- Planned Contract type – CPFF

- Set aside – The Acquisition Strategy/Plan has not been approved yet, however, the Government anticipates a set-aside contract action.

- Contract Vehicle – The Government anticipates awarding as a Competitive Set-Aside CPFF Contract to a WOSB.

Status

- 2 Small Business contracts (IA and IM) with period of performance (POP) through Feb 2018 and June 2018 respectively. 2 Small Business Contracts (IA and IM) consolidated into CSIM effort.

- IA-IM - Re-compete:

    - Draft RFP anticipated to be posted to FedBizOpps on 19 June 2017.

    - Final RFP anticipated to be posted to FedBizOpps on or before 01 July 2017.

Projected Milestones

- Draft Solicitation: Early 3rd Quarter of FY17
- Final Solicitation: Early 4th Quarter of FY17
- EDA: Early 2nd Quarter of FY18
- Delivery: 2nd Quarter of FY18 (28 February 2018)

CCAM-CAB-A SETAS

Action

- Follow-on Systems Engineering and Technical Assistance Support (SETAS) valued at $925.9M.

- SETAS will support various USASMDC/ARSTRAT missions to include air, space, missile defense; cyberspace; homeland security/homeland defense; and warfighter efforts as they are defined by higher headquarters, the Department of Defense (DoD), and Congress.

Strategy

- Government intends to use GSA OASIS Small Business Pools.

- Contract Type – TBD

- Acquisition Strategy will be approved for a 5-year ordering period utilizing the GSA SB OASIS Pools.

Status

- Acquisition Strategy/Plan currently being staffed to DASA(S) for approval.

Projected Milestones

- Transition of SETAC requirements to SETAS will take place between Dec 2017 and Dec 2018 as task orders expire and require re-competition.

- OASIS will have a on-ramping for OASIS Primes in 2019.

- SETAC to SETAS Transition Industry Event with OASIS SB Pool Primes will be scheduled after the approval of the Acquisition Strategy/Plan.

- Anticipated Bidder's Library to be available 4QFY17.

CCAM-CAB-A SETAS

SETAC10 TO GSA OASIS SB (SETAS) TRANSITION APPROACH

	SETAC10 CONTRACT	TASK ORDER	CURRENT END DATE	REVISED END DATE	CURRENT CONTRACTOR	REQUIRING ACTIVITY	COR	EFFORT TITLE
					NOT TRANSITIONING TO SETAS			
1	W9113M-13-D-0009	0004	8-Apr-17	8-Apr-17	Warfighter	FWC	Jeremy Collins	FWC Director's Operational Support

ACC-Redstone Requirements

- ACC-Redstone has a spreadsheet detailing all ACC-R requirements with the exception of EXPRESS

- The most recent spreadsheet is posted to the ACC-Redstone Public Website:
  - ★ http://acc.army.mil/contractingcenters/acc-rsa/

Blackout Period

- Clarification on Black Out Period - Technical Team cannot have discussions after RFI is released
  - Questions can be submitted to EXPRESS/KO

- Time between RFI and RFP is intended to be short

- Implementation of the Industry Days for large requirements (over $250M)

- Technical POCs have been included in some QUAD charts

Small Business

- The NAICS codes for the EXPRESS program must be updated due to the a Small Business Administration Final Rule published in the Federal Register Volume 78, Number 191, Dated October 2, 2013 which changed 13 CFR 121.402(c)(2)

- The SBA rule requires that the NAICS assigned match the PWS for the BPA and also individual task orders

- This will affect the size status of numerous contractors on EXPRESS

- The rule is being implemented into the FAR under a Proposed Rule issued December 6, 2016.
  https://www.federalregister.gov/d/2016-28432

EXPRESS Evergreen Strategy

- AMRDEC will be the proponent for the Evergreen EXPRESS Program refresh

- Estimated Timeline for Evergreen Transition and On-Ramping RFQ issuance (subject to change):

    - Technical – 1st Quarter FY18/1st Quarter FY18
    - Programmatic – 1st Quarter FY18 */1st Quarter FY18
    - Logistics 1st Quarter FY18*/2nd Quarter FY18
    - Business and Analytical – 1st Quarter FY18/2nd Quarter FY18

    * NOTE CHANGE IN TIMELINE

Evergreen Award Terms

- Large Business Award Term – 5 Year Term

- Small Business Award Term - 5 Year Term (If size changes during award term, the size standard will not be changed unless triggered by an acquisition, merger, or novation. Procedures at FAR 19.301-2(b) will be followed.)

- At the end of each Award Term, quality of work, timeliness, and competitiveness of BPA holders will be assessed for renewal. If a company does not win a task order within its award term period or fails to provide satisfactory services its' BPA may not be renewed (off-ramped)

- Business size will be determined (verified) in the System for Award Management:
    - Replacement BPA – prior to issuance
    - On Ramp BPAs – upon quotation receipt
    - All BPAs will require recertification at award term renewal

EXPRESS Evergreen Strategy

- On-Ramps will begin after transition to Evergreen to add small businesses to B&A, Programmatic, Logistics and the Technical (541330) NAICS

- Evergreen will be reviewed annually to determine if additional BPA holders should be added to existing domains or to add new domains

- It is anticipated that small businesses will need to be added periodically to ensure that each domain has no less than three small businesses at any given time for small business set-asides

- It is anticipated that the evaluation process will be streamlined IAW FAR 8.4 procedures

- The Evergreen program refresh documentation is being developed at this time

EXPRESS Evergreen Strategy

- Technical (541330) will be the first Domain to conduct an On-Ramp and will require the addition of at least five (5) small-business contractors

- Programmatic will be transitioned second and will require the addition of three (3) to five (5) small-business contractors

- Logistics will be transitioned third and will require the addition of three (3) to five (5) small-business contractors

- Business and Analytical will be transitioned last and will require the addition of three (3) small-business contractors

EXPRESS Evergreen Strategy

PROPOSED UPDATE TO TECHNICAL DOMAIN AS FOLLOWS:

The Technical Domain will have two NAICS codes and will be divided into two domains. (May have two PWSs)(FPDS-NG reporting issue). NO ON-RAMP FOR NAICS 541715 AT THIS TIME.

- NAICS 541330 - Non-R&D Engineering Services (A&AS and Other Professional Services) ($38.5M Size Standard)

- NAICS 541715 - R&D Engineering Services (A&AS and Other Professional Support Services) (*1,250 Employees Size Standard)

    ***Note: Subject to change based on new NAICS codes and definitions, effective 1 October 2017**.

EXPRESS Evergreen Strategy

PROPOSED UPDATE TO TECHNICAL DOMAIN AS FOLLOWS:

The following GSA Special Item Numbers (SINs) were selected as the best fit for the types of services required:

SIN 871 1 - Strategic Planning for Technology Programs/Activities

SIN 871 2 - Concept Development and Requirements Analysis

*   SIN 871 3 - System Design, Engineering and Integration

*   SIN 871 4 - Test and Evaluation Services

*   SIN 871 5 - Integrated Logistics Support Services

*   SIN 871 6 - Acquisition and Life Cycle Management Services

*   **DENOTES SINS THAT THE PRIME BPA HOLDER MUST HAVE IN ORDER TO BE ELIGIBLE TO BID. THE TEAM PROPOSED MUST HAVE ALL SINS IDENTIFIED ABOVE.**

EXPRESS Evergreen Strategy

PROPOSED UPDATE TO THE PROGRAMMATIC DOMAIN AND THE BUSINESS AND ANALYTICAL DOMAIN –
NAICS 541611 ($15M Size Standard)

The following GSA SINs were selected as the best fit for the types of work in these domains:

* SIN 874 1 - Integrated Consulting Services
  SIN 874 6 - Acquisition Management Support
* SIN 874 7 - Integrated Business Program Support Services

- **DENOTES SINS THAT THE PRIME BPA HOLDER MUST HAVE IN ORDER TO BE ELIGIBLE TO BID. THE TEAM PROPOSED MUST HAVE ALL SINS SHOWN ABOVE.**

- **Note: Subject to change (based on what we know now)**

EXPRESS Evergreen Strategy

PROPOSED UPDATE TO LOGISTICS DOMAIN –
NAICS 541614 ($15M SIZE STANDARD)

The following GSA SINs were selected as the best fit for the PWS:

 * SIN 874 501 - Supply & Value Chain Management
   SIN 874 503 - Distribution & Transportation Logistics Svcs
   SIN 874 504 - Deployment Logistics Services
   SIN 874 505 - Logistics Training Services
   SIN 874 507 - Operations & Maintenance Logistics Management & Support
                  Services

 * **DENOTES THE SIN THAT THE PRIME BPA HOLDER MUST HAVE IN ORDER TO BE ELIGIBLE TO BID. THE TEAM PROPOSED MUST HAVE ALL THE SINS IDENTIFIED ABOVE.**
   Note: Subject to change (based on what we know now)
